

Your T5 will never be a T5 again

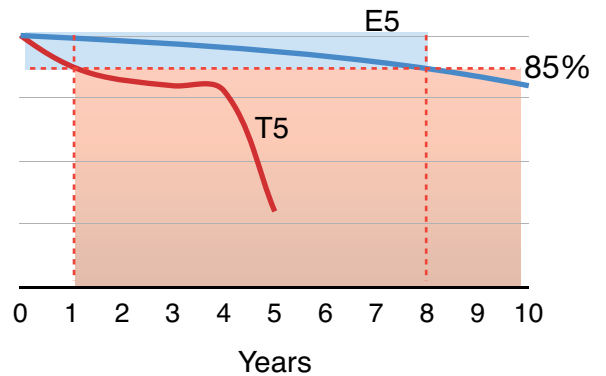

The new E5 from Euroquatics (*in partnership with Transcend Lighting*) is a direct replacement for your out-dated T5HO lamps. These new LED based lamps have the same output as T5HO but consume about 45% less power. These new lamps also last up to 8 years and come with an amazing 3 year warranty.

Product Overview

- Approximately 45% average power saving over T5HO
- Directly replace old T5HO lamps (*no rewiring needed*)
- Same output levels as T5HO
- **Starting with 5** amazing color options
- Full range of standard sizes
- NO mercury or other hazardous materials
- 8 year product life
- Amazing light quality and color rendering
- Proprietary and custom LED phosphor technology
- Highly recyclable
- 3 year warranty

E5 vs T5HO Lamp Performance

The red shaded area is where algae growth can spike and overall coral health can be compromised due to poor spectral quality.

*Data is based on 8-10 hours of run time per day any may vary slightly by color.

Color Options

	Warm daylight	6k
	Daylight	10k
	Cool daylight	15k
	Blue Pop™	(450-460nm)
	Marine Pink	

Power Consumption & Sizes

	24" 550 mm	36" 850 mm	48" 1150 mm	60" 1450 mm
E5 Watts	15	23	30	40
T5HO Watts	24	39	54	80

With the same output as T5HO lamps!
